/ SERIES 2

Rome, February 17, 1930.

Dear Joe:

I am wondering when you and Anne are coming down to stay with us. Wasn't it to be sometime this month? We are looking forward with great delight to seeing you.

I had a catalogue the other day from Gilhofer & Ranschburg and there are two or three things in it I might like to consider. If you are in Vienna would you care to have a look at them for me and let me know what you think about them? The catalogue is No. 222 and the items that seem to me interesting are:

No. 65, Haebler,
No. 324, Aeneas Sylvius,
and No. 341, Thurocz.

Let me hear from you.

With best wishes,

As ever,
